SBCCI is an international forum dedicated to integrated circuits and systems design, test and electronic design automation (EDA), held annually in Brazil. The 34th SBCCI will take place in Campinas, an economic center in Brazil. The goal of the symposium is to bring together researchers in the areas of EDA, design and test of integrated circuits and systems. The scope of the symposium includes technical sessions, tutorials and panels, as well as an exhibition and working group meetings. The proceedings will be published by the **IEEE Xplore** and the **ACM Digital Library**. The best papers presented at the symposium will be invited to resubmit an extended version to be considered for publication at the **IEEE Design & Test** and at the **Springer Nature ALOG** (Analog Integrated Circuits and Signal Processing). Information about paper submission are available at the conference webpage.

Important Dates:

Paper Submission Deadline:	**May 10th, 2021(hard deadline)**
Notification of Acceptance:	**June 7th, 2021**
Camera-Ready Deadline:	**June 14th, 2021**
